By completing a purchase through our site, by email, or by telephone, the user agrees to abide by the sales terms stated in this document. No exceptions unless specifically allowed by Ribbon Girls.

1. Business Days: Orders are processed and shipped Monday - Friday (excluding US holidays and weekends).
2. Prices & Discounts: Ribbons purchased in increments of 5 yards and up are eligible for a multiple-yard discount as indicated. If no multiple-yard discounted is stated, the discount does not apply. The discounted rates are as follows:
5 - 9.99 yards* = 10% off
10 - 24.99 yards* = 15% off
25+ yards* = 20% off
*Per pattern (not total).
Discount is per pattern, not for the total ordered. Discount does not apply to full rolls, sales items, or marked exceptions. Prices subject to change at any time without notice. Our Shopping Cart system automatically applies any offered discounts.
3. Cancelled orders: We reserve the right to cancel any orders at our discretion. Reasons for order cancellation may include but are not limited to suspected fraudulent payment and restricted delivery addresses. We will contact you if your order is cancelled.
4. Order fulfillment (Yardage/Cuts): If we are unable to fill all or part of an order, we will follow the directions provided by the customer. This includes 1) canceling the item or 2) sending what is available and backordering the balance. If we cannot provide the backordered item within 2 weeks from the time of order, a refund for the unavailable item will be provided.

Any refunds resulting from an unfulfilled order will be provided in the same manner as the original payment.

For ribbon or webbing purchased by the yard, all efforts are made to send the item in one continuous piece. If we are unable to do so, we reserve the right to send yardage in multiple pieces. In these cases, we will provide extra yardage to compensate for the cuts. Note: High yardage orders (orders of 10 yards or more of one type of ribbon/webbing, including rolls) may contain 1-4 random cuts. We do not provide extra yardage for these high yardage orders, however, we will not send a cut smaller than 3 yards.

5. Order Processing Time: Orders will be processed and ready to ship within 3 business days from the day of full payment with the exception of orders placed with orange or red special service. If your order is placed after 3 PM EST, the order processing time will start the following business day. If payment is mailed in, items will be held for 5 business days. If payment is received after that time, prices and availability are subject to change.

7. Shipping Tracking or Delivery Confirmation: All of our orders are sent with Delivery Confirmation or Tracking. Additionally, orders over \$100 are shipped with Signature Confirmation/Signature Receipt. USPS Delivery Confirmation service only confirms that a shipment has been delivered. USPS Delivery Confirmation data may or may not show the exact time a shipment has entered the system. USPS Express or Fedex Tracking provides actual real-time tracking of a shipment (documents the shipment location from the time it enters the shipper's system). We do not guarantee delivery dates or shipping times unless specifically guarantee by the shipper (USPS or Fedex).

- Orange Service: Can be applied to all orders. If order is made Friday, Saturday, or Sunday, your item will ship the following Monday (excluding holidays). With Orange service, only the processing time is expedited. Shipping times are unchanged and normal shipping is provided. Normal shipping is first class for orders less than \$10 (with no upgraded shipping) and priority mail for orders \$10.01 and up.

Please note that we do not guarantee delivery dates and have no control over the carriers (USPS or FedEx). With Orange Service, we only guarantee that your order will be processed and shipped within 1 business day. If an order cannot be shipped within 1 business day (if items are not available), the Orange Service fee will be refunded to you. If you order is delayed by the carrier, we do not offer refunds for Orange Service.

- Red Service: Can be applied to all orders. If the order is made Friday, Saturday, or Sunday, the order will be shipping the following Monday (excluding holidays). The charge for Red Service includes 15% for expedited handling and the actual shipping cost (Fedex or USPS Express). Due to varying shipping costs, we charge an upfront fee of \$50 for the shipping and handling fee. If there is any over payment after your item is shipped, we will provide a refund.

If FedEx Standard Overnight shipping is not available to your location, we reserve the right to use an alternate method (i.e., FedEx 2 day or USPS Express Shipping). Red service is only available for continental US orders only. Standard Overnight delivery is not available to all continental US locations. Additional fees may be due for over weight packages, zone considerations, and service availability. If red service is NOT available for your item, we will contact the customer within 1 business day.

Please note that delivery dates are not guaranteed and have no control over the carriers (USPS or FedEx). With Red Service, we do guarantee that your order will be processed within 1 business day and that your package will be sent by FedEx Standard Overnight delivery (or the fastest alternate delivery if FedEx Standard Overnight delivery is not available to your location). If an order cannot be ready to ship within 1 business day (if items are not available), the 15% handling fee will be refunded. If a package cannot be shipped by FedEx Standard Overnight, FedEx 2 Day, or USPS Express, the shipping cost will be refunded.

Note: If you are not able to take delivery of your package when it is delivered by the carrier and your receipt is delayed, we will NOT refund the Red Service fee. If your package is delayed by the carrier, you may be eligible to receive a refund of the shipping portion of the Red Service fee.

Our Shopping Cart calculates for US shipment only. Special Services are only available for US addresses only.

8. Shipping Address Policy: Our policy regarding acceptable shipping addresses is as follows:

- If you pay by check, we will send the shipment to the address provided on the check.
- If you pay by Money Order, we will send the shipment to any address you provide.
- If you pay by Paypal, we will ship only to the Paypal confirmed address. No exceptions.
- If you pay by credit card, we will ship to the credit card billing address only. We understand that many of our customers choose to have their packages sent to their business or vacation locations. In these instances, we require that the customer register this secondary address with their credit company. Alternately, we may ship the package with Restricted Delivery. This means that the package is shipped only to the purchaser (defined as the credit card holder) and only that person may receive the package. For this service, an additional fee of \$6.95 is charged (non-refundable for any reason). Proper identification is required to receive a Restricted Delivery package.

Any request for changes to our policies must be approved prior to ordering. We reserve the right to cancel any orders based upon unacceptable delivery addresses.

9. Shipping Insurance: Shipping insurance is provided by our third party insurance provider U-PIC. Shipping insurance only covers damage or loss that occurs in transit. Damage claims will only be accepted within 14 days of customer receipt

(according to tracking or delivery confirmation data). Loss and damage claims must be verified through the carrier (USPS, FedEx, or UPS) in writing. If an item or package was damaged during transit, save all of the packaging and contact us immediately.

Once a package is delivered we do not accept responsibility for any damage or loss that occurs after carrier delivery. Delivery is defined as the time of delivery indicated by USPS delivery confirmation, USPS signature confirmation, or Fedex tracking. By ordering through our website, the buyer/purchaser agrees to accept any and all of the following as proof of delivery: USPS delivery confirmation, USPS signature confirmation, and Fedex tracking information. If there is proof of delivery as stated above, we take no responsibility for lost merchandise. If there is proof of delivery as stated above, it is the customer's responsibility to submit a claim with the shipper (USPS or Fedex) or with their credit card company.

Please note that if you have a valid loss/damage claim, we will provide a new shipment as soon as we receive reimbursement from the insurance company (may take up to 30 days). If you need an order sooner, you will have to resubmit your order and the cost of the original order will be refunded as soon as we receive the insurance reimbursement.

10. Proof of delivery: The buyer/purchaser agrees to accept USPS delivery confirmation, USPS signature confirmation, and/or FedEx tracking information as proof of delivery. Delivery is defined as the time of delivery indicated by USPS delivery confirmation, USPS signature confirmation, or Fedex tracking. By ordering through our website, the buyer/purchaser agrees to accept any and all of the following as proof of delivery: USPS delivery confirmation, USPS signature confirmation, and Fedex tracking information. If there is proof of delivery as stated above, we take no responsibility for lost merchandise. If there is proof of delivery as stated above, it is the customer's responsibility to submit a claim with the shipper (USPS or Fedex) or with their credit card company.

11. Misdirected/Undeliverable Packages: If an error is made on our part in addressing a package, we will pay to reshipe the package.

If the following conditions apply, the customer will be responsible for the cost to reshipe the order:

- if we send a shipment to the correct address and it is undeliverable (examples of this would be if you do not pick up the package at the post office or if you are not able to receive express packages in person),
- if you provide us with the wrong address,
- or if the shipment is delayed to due to shipper's (USPS, UPS, FedEx, or other shipper) error (unless the package is guaranteed by the shipper).

12. Payment: We accept money orders and checks, Paypal payments, and credit cards (VISA/MC/Discover/American Express). If you are mailing in payment, the items will be held for 5 business days. If payment is received after that time, prices and availability are subject to change.

13. Incorrect or Defective Orders: If an incorrect, defective, or damaged item is shipped, we must receive notice within 10 days from the time of customer receipt (based

upon tracking information). After that time, we do not provide returns, exchanges, or store credit. If we send you the incorrect item, we will cover the cost to return the incorrect items back to us and we will ship the correct items to you free of charge.

14. Returns/Refunds/Exchanges: Refunds are provided in the same manner as the original payment. All returns are subject to the stated time restrictions below. To be eligible for a return, the customer must return the item(s) within the time frame shown below. This means that we must receive the return within the time frame indicated below. The return period starts from the time the customer receives the package (based upon USPS or Fedex tracking/delivery confirmation data).

- Within 0 - 10 days, refunds and exchanges are offered.
- Within 10 – 30 days, we offer store credit. The amount eligible for store credit is based upon the original purchase price and excludes shipping costs. Store credit is good for 6 months from the day of the original purchase.
- After 30 days, we do not offer any returns, refunds, store credit, or exchanges.

To be eligible for a refund/exchange, the buyer must contact us by email for a return authorization code prior to sending the return/exchange. The return authorization code must be written on the outside of the package. If this authorization number is not written on the package, we will refuse delivery and the package will be returned to you. We recommend sending a return with tracking/insurance as we do not take responsibility for lost or misdirected returns.

Items that are returned must be in the original, uncut, new condition. We do not accept returns for ribbon or webbing in lengths less than 5 yards long unless the item is defective.

Returns should be sent to:
